“OF MILLIONS CALLED ONLY 1,200 REFUSED TO FIGHT” — CROWDER

Meeting Friday Will Fix Number of Troops Each Nation Must Keep in Europe and Discuss Armistice Renewal.

BULLETIN.

PARIS, Feb. 6.—The society of nations commission of the peace conference has virtually covered one-third of its task, it was officially announced this afternoon.

PARIS, Feb. 6.—A meeting of the supreme inter-allied war council will be held at the foreign office today to decide the question as to the strength of the forces to be maintained in the service by the different states. Conditions for a renewal of the armistice with Germany will also be considered.

A supreme allied blockade council has been organized to arrange for a relaxation of embargoes upon neutral countries. The council will be composed of the American member, has been chosen by the supreme inter-allied war council. The other members are Lord Robert Cecil and Baron Klotz, for Great Britain; Etienne Clotier, for France; and Dr. Silvio Crespini, minister of food, for Italy.

The supreme council was engaged yesterday in receiving from M. Kramarz and M. Benes a statement of the claims of the Czechoslovak republic. These delegates asked that the Czechoslovak republic be recognized as a state. The council will also consider the claims of the Czechoslovak republic.

The necessity of giving the new state an outlet to the sea was emphasized. It being pointed out that a way should be found to the Adriatic by the Elbe and Vistula to the North Sea.

The American delegation to the peace conference has received numerous petitions from committees, municipalities and representatives of territories under German rule, asking to be put under the protection of the United States.

More significant still is the pressure brought to bear to bring about the decision by which the United States is urged to assume the responsibility as she is the only country which, having no direct interest in the East, can not be accused of selfishness and enjoys the complete confidence of all the peoples of the nations involved.

It is pointed out that this record was made by the United States in the past. The United States has been the only country which, having no direct interest in the East, can not be accused of selfishness and enjoys the complete confidence of all the peoples of the nations involved.
